

## ICCS-DE 2022 Participants

**Evgeny Barakhtenko**, Melentiev Energy Systems Institute of SB RAS, Russia  
**Olga Basharina**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Ural State University of Economics, Russia  
**Natalia Beresneva**, Melentiev Energy Systems Institute of SB RAS, Russia  
**Ekaterina Bezuglova**, North-Caucasus Federal University, Sirius University of Science and Technology, Russia  
**Igor Bychkov**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Mikhail Chekan**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Jorge Mario Cortés-Mendoza**, South Ural State University, Russia  
**Eleonora Desnica**, University of Novi Sad, Serbia  
**Vladimir Devyatkov**, Tatarstan Academy of Sciences, Kazan National Research Technical University named after A.N. Tupolev–KAI, LLC "Elina – Computer", Russia  
**Timur Devyatkov**, LLC "Elina – Computer", Russia  
**Vladimir Dmitriev**, Irkutsk State University, Russia  
**Dalibor Dobrilovic**, University of Novi Sad, Serbia  
**Aleksey Edelev**, Melentiev Energy Systems Institute of SB RAS, Russia  
**Maxim Fedotov**, LLC "Elina – Computer", Russia  
**Alexander Feoktistov**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Evgeniy Fereferov**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Maxim Gorokhovskiy**, National Research University "Higher School of Economics", Russia  
**Sergey Gorsky**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Valeriya Gribova**, Institute of Automation and Control Process of FEB RAS, Russia  
**Ivan Ignatev**, Irkutsk State University, Russia  
**Roman Ilgovskiy**, National Research University "Higher School of Economics", Russia  
**Alexei Hmelnov**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Natalya Kondratyeva**, Sochi State University, Russia  
**Roman Kostromin**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Alexey Kovtunenکو**, Ufa State Aviation Technical University, Russia  
**Nikolay Kucherov**, North-Caucasus Federal University, North-Caucasus Center for Mathematical Research North-Caucasus Federal University, Russia  
**Viktor Kuchukov**, North-Caucasus Federal University, Sirius University of Science and Technology, Russia  
**Tagir Kuskarov**, National Research University "Higher School of Economics", Russia  
**Anna Lempert**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Gleb Mayorov**, Melentiev Energy Systems Institute of SB RAS, Russia  
**Milica Mazalica**, University of Novi Sad, Serbia  
**Sinisa Mihajlovic**, University of Novi Sad, Serbia  
**Rasul Minnikhanov**, Tatarstan Academy of Sciences, Russia  
**Vladimir Moskvichev**, Krasnoyarsk Branch of the Federal Research Center for Information and Computational Technologies, Siberian Federal University, Russia  
**Alexander Pavlov**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Jasmina Pekez**, University of Novi Sad, Serbia  
**Ulyana Postnikova**, Federal Research Center for Information and Computational Technologies, Siberian Federal University, Russia  
**Vadim Potapov**, Federal Research Center for Information and Computational Technologies, Russia  
**Aleksandr Reznik**, Institute of Automation and Electrometry of SB RAS, Russia  
**Dragica Radosav**, University of Novi Sad, Serbia

**Ljiljana Radovanovic**, University of Novi Sad, Serbia  
**Darya Romanova**, Siberian Federal University, Krasnoyarsk State Agrarian University, Russia  
**Evgeniy Schastlivtsev**, Federal Research Center for Information and Computational Technologies, Russia  
**Yuri Semenov**, Moscow Institute of Physics and Technology, Russia  
**Vasily Shestyuk** Tatarstan Academy of Sciences, Russia  
**Egor Shiriaev**, North-Caucasus Federal University, North-Caucasus Center for Mathematical Research  
North-Caucasus Federal University, Russia  
**Ivan Sidorov**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Aleksandr Soloviev**, Institute of Automation and Electrometry of SB RAS, Russia  
**Dmitry Sokolov**, Melentiev Energy Systems Institute of SB RAS, Russia  
**Alexandra Spasibko**, Scientific Research Center "Baikal Region", Irkutsk State University, Russia  
**Valery Stennikov**, Melentiev Energy Systems Institute of SB RAS, Russia  
**Zeljko Stojanov**, University of Novi Sad, Serbia  
**Aleksandra Stojkov**, University of Novi Sad, Serbia  
**Alexander Stolbov**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Oleg Sukhoroslov**, Institute for Information Transmission Problems of RAS, National Research University  
"Higher School of Economics", Russia  
**Andrei Tchernykh**, CICESE Research Center, Ensenada, México; Ivannikov Institute for System  
Programming of RAS, South Ural State University, Russia  
**Anton Tolstikhin**, Matrosov Institute for System Dynamics and Control Theory of SB RAS, Russia  
**Vitaly Ushakov**, Saint-Petersburg State University of Aerospace Instrumentation, Russia  
**Sagit Valeev**, Sochi State University, Ufa State Aviation Technical University, Russia  
**Aleksandr Vetrov**, Scientific Research Center "Baikal Region", Irkutsk State University, Russia  
**Andrey Vetrov**, National Research University "Higher School of Economics", Russia
